SCHOOL DISCIPLINE

This bibliography lists material published on school discipline since the first bibliography on this topic (Bibliography No. 27) was published in March 1972. It is planned to issue from time to time updated bibliographies in various subjects which have already been covered in the series, but in which interest remains strong.

Sources consulted in preparing this bibliography include the Bibliographie du Québec, British Education Index (The Library Association), the Canadian Education Index (CEA), the Cumulative Book Index (Wilson's), the Current Index to Journals in Education (CCM), the Directory of Education Studies in Canada (CEA), the Education Index (Wilson's), Subject Guide to Canadian Books in Print (University of Toronto), Research in Education (ERIC), and Research Studies in Education (Phi Delta Kappa).

Abstracts of material with an ED number may be found in Research in Education. If marked "Available ERIC", hard copy or microfiche copies may be purchased through the Education Document Reproduction Service of the ERIC system.

Material held in the CTF Library is marked with a single asterisk. The Library is also purchasing microfiche copies of the ERIC documents available. A double asterisk appears beside these titles, indicating the material is available on loan in microform only.
